Q & A

Q. Who is this program for?

- A. Anyone interested in a deeper understanding of their number and the Enneagram Types. In particular, the Enneagram is useful for those in people service: counselors, social workers, clergy, mentors, spiritual directors, leaders, etc.

Q. Can couples participate?

- A. Absolutely! The Enneagram can be a wonderful tool for couples to have in their relationship. Learning the Enneagram together can be a powerful experience.

Q. Will I get Continuing Education Credits?

- A. Yes! LPCs, LMFTs, and LCSWs will receive 28 CEUs for completing the program.

Q. Do I have to pay \$500 up front?

- A. No. A \$50 non-refundable deposit is required to hold your slot if you're accepted into the program. The balance of \$450 can either be paid up front or split into two payments of \$225; the first paid at the start and the balance paid at the second training day.

Q. Why would someone NOT be accepted to the program?

- A. There are limited slots; only 12 people can participate. Ideally, the group will be a mix of different Enneagram types and will include both men and women.

Q. Is this a faith-based program?

- A. Similar to my counseling style, I (Leslie) believe the Enneagram is for everyone. It is not uncommon for me to teach from a place of spirituality, but the main goal of the program is to develop a deeper understanding of all of the ways personality impacts living and the Enneagram's framework for the path of growth.
